2 PART I: Entering the World of Children's Literature One of my warmest childhood memories is of my mother reading Miss Pickerell Goes to Mars (MacGregor) to my older sister and me. We were in elementary school and quite capable of reading it ourselves, but we had grown accustomed to having our mother read to us each night before bedtime.

Human Evolution - Cengage

our lifestyles. But, for a change to be evolutionary in a biological sense, it must affect the genes we pass along to the next generation. Evolution is the primary way we understand the biological history of humanity and, indeed, of all life. In this chapter, we provide a brief overview of human evolution. We start with a discussion of
